Good morning,

Please find attached an update for 2022-02-06 at 1000hrs:

- Currently at the main site in Coutts, there are 28 commercial vehicles lining the northbound lanes and 24 commercial vehicles lining the southbound lanes of highway 4.
- Traffic is flowing, with one lane open in each direction. This morning there are few delays on traffic flow.
- At checkpoint 10 there 271 passenger vehicle, 53 campers, 32 commercial vehicle, 6 tractors and 400 people.
- At the Smugglers Saloon in Coutts there are 20 passenger vehicles, 4 commercial vehicles and 10 campers.
- RCMP are developing a tactical plan that can be executed if the protestors move block the highway.
- The CCMG continues to engage both the protestors and the community members both at the main site and at checkpoint 10.
- CCMG is working with the protestors and the community to develop a process to move the protestors at checkpoint 10 to an area that would allow them to have a legal protest, this would enhance police and public safety.
- The Canada/USE border remains open and traffic continues to cross on both sides, however, there is a delay in traffic getting to the border due to the congestion at checkpoint 10.
- The protests at both sites continue to be peaceful.
- The members of "Freedom 2022" have advised that they plan to move their trucks out at 1300 today. It is unknown at this time how many trucks are planning to depart the sites.

Kind regards,

Peter
